OYSTER HARBORS MARINE
Service Manager
OYSTER HARBORS MARINE of Osterville, MA has an opening for Service Manager. We have been selling and servicing premier boat and yacht lines for over 30 years, representing manufacturers such as Albemarle, Carver, Everglades, Legacy, Mag Bay, Princess, Regulator, Valhalla and Viking. We are looking for the right candidate to manage our robust service business. Primary responsibilities include overseeing the repair, storage and delivery of customer boats and ensuring the timely delivery of new boats. The service manager's support team includes service advisors, a mechanics supervisor, a yard foreman, a detail department manager and skilled carpenters. Candidate should have extensive service management experience in the marine industry, knowledge of boats/boat systems and strong leadership skills. Must have the ability to communicate well with both customers and staff, address concerns and maintain a high level of customer satisfaction. This is an opportunity to work with a deeply tenured staff in a positive work environment. This position offers an excellent compensation package including generous benefits.
