HYA has embarked on the development of a 20-year master plan to ensure that we can continue to safely and efficiently meet the aviation needs of the surrounding community.

And we are looking for your input!

Head to our YouTube channel to learn more (<http://bit.ly/HYAMasterplan>) and submit comments and questions regarding the master plan to HYAMasterPlan@mjinc.com.

Emails received by November 2, 2020 will be included in a response to comments and question/answer video that will be added to the channel at a later date.

Thank you for your help with this!

Have you heard about HYA's Master Plan?

✈️ This current project is for the master plan for the airport. The plan is still in progress and going public with the draft findings of the airport's future needs, the coming months will look at the development alternatives, for which there will be additional comment periods. There is currently no recommended plan for expansion at the airport, only an identification of the needs.

✈️ Any expansion coming as result of this plan will ne... [See More](#)

HYA has been running a month-long public involvement campaign to ask for residents to become more involved in the Airport Master Plan Process.

✈️ Transparency of the public process and maximizing public involvement is of the utmost importance to the airport and the project team. The original, pre-COVID intention was to have two public meetings occurring in the summer time to ensure that second homeowners could also participate in the process. These were to be in-person worksh... [See More](#)

HYA's Master Plan points - did you know?

✈️ As a response to COVID, the public process has been moved on-line in the form of not only a project website, but a YouTube channel and dedicated project e-mail address (HYAmasterplan@mjinc.com).

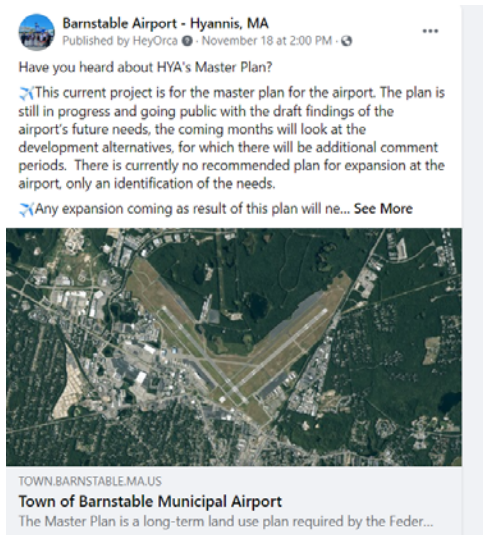

✈️ Since we are unable to meet in person, a Q&A video based on comments received will be uploaded to the YouTube channel as well and commenters will be notified when additional materials are made available.... [See More](#)
