**RE: HYA Environmental Assessment and Draft EIR for Airport Improvement Projects
Public Meeting #4**

Dear Cape Cod Gateway Airport Community Members,

Thank you for your continued interest in the proposed improvements at Cape Cod Gateway Airport. We are writing to inform you that the fourth public meeting is scheduled to take place on December 12, 2023.

The meeting will be both virtual and in person.

- A **virtual meeting** will be held via zoom from 2 to 4 pm. The meeting can be accessed by clicking the following link: <https://townofbarnstable-us.zoom.us/j/81693116447?pwd=pDs1cbgN8vismAPQh4faidoWgszLf7.1>
- An **in-person meeting** will be held from 6 to 8 pm at Barnstable Town Hall, James H. Crocker, Jr. Hearing Room, 367 Main Street, Hyannis, Mass., 02601

The meeting will provide an opportunity to learn about environmental analysis completed since the last public meeting in June and information documented in the Draft EA/EIR. The Federal Aviation Administration (FAA) and Massachusetts Department of Transportation (MassDOT) Aeronautics Division will also be in attendance to address questions from the community.

This meeting will be moderated. Questions will be taken in written form only, either in advance at the email address below or during the meetings on comment cards or in the virtual chat boxes. Project comments substantive to the presentation and Draft EA/EIR document contents will also be accepted in written form as well.

Please visit our website to learn more about the project (<https://flyhya.com/environmental-assessment/>) and upcoming meetings, as well as reach out to the project team via the project email (enviroHYA@epsilonassociates.com) to share any comments or concerns.

As vital members of the Cape Cod community, we look forward to continue working with you. Thank you for your continued participation.

Kind regards,

A handwritten signature in black ink that reads "Katie R. Servis".

Katie R. Servis, Airport Manager, Cape Cod Gateway Airport
